What you keep	A site in their ecosystem	**The page, PDFs, PNGs**

Ask Clover/BentoBox these, in writing, before you sign

- Line by line: hardware, software plan, processing rate, and each module I want.
- Is any hardware leased, and what happens to it if I cancel?
- What happens to my site if I stay on my current POS?
- Is the processing rate interchange-plus or flat, and is it locked for the term?

What $199 buys, delivered in 24 hours

A mobile page on a real URL (hours, prices, photos, tap-to-call, directions) · a digital menu with one QR code per table, print-ready · three print-ready posters (window hours, counter QR, menu board) · five Instagram posts with captions · an edit key so you change prices yourself. $49 is the page alone; $499 builds a menu of up to 60 items and 30 days of small updates. No subscription, no commission, no hardware.
